MEMORANDUM FOR: Defense Intelligence Agency
[redacted] 25X1

FROM: [redacted] 25X1
Chairman, Intelligence Information
Handling Committee

SUBJECT: DIA TAS Installation

1. I share your concern for unnecessary delays being experienced by DIA in conducting DIA TAS acceptance testing. I have been in contact with [redacted] 25X1
[redacted] regarding the two hardware malfunctions. He is aware of your 25X1
dilemma and has assured me that he is making every effort to correct the situation.

2. I consider the [redacted] interface to be a critical milestone in the 25X1
overall Community effort to facilitate the handling of intelligence information, and I will continue to monitor the interface development.

3. I appreciate your feedback information on DIA TAS acceptance testing, and I would appreciate continued feedback on its status as the situation dictates.
